

Your Christmas Baking Journey

Welcome to a Christmas baking journey around the world! Over the coming weeks, we're going beyond recipes. We'll explore 75 Christmas cakes and festive bakes from different parts of the world—discovering the stories, traditions, cultures and history that make each one special.

✦ What to Expect Each Week

Every week, you'll receive 7 Christmas recipes from different countries and traditions.

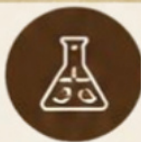

The Recipe — Discover a festive bake and what makes it special.

Culture & Tradition — Learn where it comes from, how it became part of Christmas celebrations, and how it is enjoyed in that region.

Story & History — Discover the story and history behind the recipe and the people and traditions connected to it.

Baking Knowledge — Understand the ingredients, techniques and baking science that help make each bake work.

Our Sunday Bake-Along

From the 7 recipes featured each week, we'll choose one for our Sunday Bake-Along.

During the week, we'll give you everything you need to get ready:

- Ingredients • Equipment • Preparation • Recipe • Special Tips.

So, you can gather what you need, prepare ahead and bake along with us on Sunday.

You don't have to bake all seven. Explore all seven. Choose your favourite. Bake one with us. ❤️
